Te Iwi Ngaro Wairau - HSPP

Kōrepo/Ihutai

Year 9

In 2022 your timetable will have the following learning areas:

Puna Ako	Kaupapa Ako	Rākaihautūtanga
Puna Ako He Korowai Manaaki Assembly	Literacy Numeracy Science Health PE Languages	Integrated learning <ul style="list-style-type: none">- Visual Arts- Drama- Dance- Music- Technology- Social Sciences- Careers

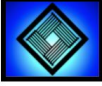

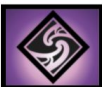

Puna Ako

Each day will start in Puna Ako.

You will be with a group of year 9-10 ākonga for this.

During this time you will connect with your peers and your kaiako and engage in learning activities to help support positive relationships.

On Wednesday we will have assembly for years 9-13.

HAEATA TIKANGA

When I come home to Haeata:
I WILL BE SAFE AND SUCCESSFUL WHEN I ...

- SHOW respect for ALL.
- ALWAYS use safe and respectful language.
- NEVER physically or verbally abuse ANYONE.
- ALWAYS am in the right place, on time with the right gear, ready to actively participate.
- FOLLOW all reasonable requests made of me.
- DON'T use drugs, alcohol, cigarettes or harmful substances when I am at Haeata.
- USE digital technology appropriately at all times at Haeata.
- ASK confident questions and give considered answers.
- AM a Kaitiaki for Haeata.

Ko Haeata tātou #WeAreHaeata

Kaupapa Ako

Literacy

Focus is on building key skills and assessing these against the Learning Progression Framework for Reading and Writing.

Numeracy

Focus is on building key skills and assessing these against the Learning Progression Framework for Mathematics.

Health

Through this program ākonga will work through units around self identity, alcohol and drugs and sexuality.

Science

Focus is on building key skills and growing their ability to work and think like a scientist. Gaining key skills that will help them in NCEA Level 1.

PE

Focus is on movement. You will participate in different physical activities and learn how to collaborate with others.

Languages

Focus is on opportunities to engage in learning Te Reo Māori and Samoan languages.

Rākaihautūtanga

You will have three options to choose from for Rākaihautūtanga. Through this course you will be exposed to different areas of the curriculum to help you experience different learning areas to find your passions.

Rākaihautūanga Options 2022

Semester long programmes, please choose 2 options	Subject 1	Subject 2	Subject 3
Option A	Art	Technology	Performing Arts
Option B	Food	Photography	Music
Option C	Social Studies	Performing Arts	Technology
Languages (whole year programme)	Pasifika	Te Reo Māori
